

SUPREME COURT OF INDIA
(Cash & A/cs-I Section)

F.No. 12/SCI/Cash/2018
New Delhi, dated 20th August, 2018

C I R C U L A R

Unprecedented floods due to incessant rain have created havoc in the State of Kerala causing immeasurable misery and devastation. Many precious lives have been lost, thousands of people rendered homeless and property worth crores has been destroyed. Never before the State has witnessed a calamity of such a huge magnitude. Besides relief work, there is the daunting challenge of rehabilitation, reconstruction and restoration of infrastructure. In this hour of need, even a small contribution would go long way in quick rehabilitation of those affected.

A large number of staff members feel that we should contribute generously for the aforesaid cause and donate at least **one day's Gross Salary** to **Chief Minister's Distress Relief Fund, Kerala** voluntarily for the welfare and rehabilitation of the affected population and development of the affected areas in the State of Kerala. The contribution will, however, be on voluntary basis and unless instructed otherwise will be deducted from the salary of the staff members for the month of August, 2018. Those who are not willing to donate may intimate in writing to Branch Officer (Cash & Accounts Section) latest by **24th August, 2018**. The contribution is exempted under Section 80 G of the Income Tax Act.
